I am working to give to "Finger Painting"/"Finger Painting HD" all the functionalities you need.

If you need new features please send me an email using the link:

<http://www.ngcybit.it/iTunesApp/people/contact-us/gianluca-natalini.html>

(specify "Finger Painting: request for new features" into the "Oggetto del messaggio" text field)

Every feature requested will be added with a free update to the product.

Thank you for your collaboration.
