

UNIVERSAL APP

How can I connect "midi Keyboard" with an external MIDI keyboard or sequencer?

1) using the **Camera Connection Kit (USB)** or **Apple lightning to USB adapter** + a commercial

SB to MIDI adapter

for MAC or PC

OR

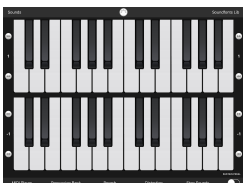

2) using the **iRig MIDI 2** interface

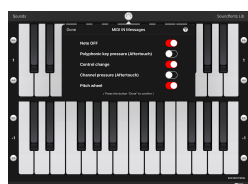

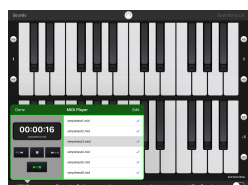

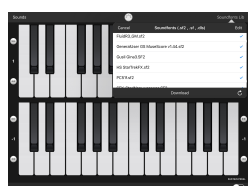

OR

3) using a commercial **MIDI adapter** for iPad, iPhone, iPod touch

All the MIDI keyboards or sequencers are compatible with "midi Keyboard" app.
